

Freshmen 2020-2021

Freshmen Students,

Welcome to Cross Roads High School. We are so glad you are (almost) here! With these unfortunate and unforeseen circumstances, scheduling is going to happen a bit differently this year. Please understand when we are able to meet again, I will be meeting with each of you individually to create your 4 year high school plan. Until then, I want to know your interest so I can begin creating **potential** schedules for each of you. I have attached a page showing the credits required to graduate. Follow the directions below and I hope to see you very soon! Have a great day!!

*Please rate the TOP 3 electives you prefer in order of 1st choice to your last.

For example: If you really want Principles of Ag make that your 1, Art your 2, and Speech your 3.

*For students wanting to participate in Athletics and Band, please ✓ both. Otherwise, choose one *.

*If you participate or would like to participate in UIL, list event(s).
