

## Sophomore 2020-2021

Sophomore Students,

First, I sure miss seeing your faces and I hope you are making smart choices and doing well! With these unfortunate and unforeseen circumstances, scheduling is going to happen a bit differently this year. I want to go ahead and get your requests so I can begin creating **potential** schedules for each of you. Follow the directions below and I hope to see you very soon!

\*Please rate the TOP 5 electives you prefer in order of 1<sup>st</sup> choice to your last.

For example: If you really want Culinary put a 1 beside it and continue listing electives 2, 3, 4, 5.

\*For students wanting to participate in Athletics and Band, please circle both. Otherwise, circle 1 or none.

\*If you participate or would like to participate in UIL, list event(s).
